Questions and Answers

- Q1. The table on Page C-1 states the Prior Experience Working Together Form and the Project Relevancy Form are both located in Appendix E. Appendix E does not contain these forms. Please provide.
- A1. The Requirement for both the Working Together and the Project Relevancy Forms will not be required and will be deleted in Addenda # 1.
- Q2. A. Appendix C on page 76 of the PDF outlines 4 forms for Tab 1, however the Prior Experience Working Together Form (Appendix E) and the Project Relevancy Form (Appendix E-9) are not located in Appendix E or elsewhere in the document, can the District please confirm these forms are required, and, if so, provide the forms.
- B. Appendix A on page 38 of the PDF notes that Section 4.7(c) is where the Description of Key Personnel Roles is located in the document, however, Section 4.7 does not include an Item C. Has the District outlined these roles at the RFQ stage or does the District want the submitting firm to determine those roles?"
- A2. A. An Addenda will be issued to remove those forms.
- B. In addition, the RFQ Page 38 definition of the Key Personnel will be modified to Proposer defined and shown on the submitted Organization Chart in the Addenda.
- Q3. Appendix D-4-Vendor Evaluation Form - What are you looking for in terms of the Consultant-Designer? Do you want the engineer on the project? Or can we leave that blank if it doesn't apply? Same question in terms of Agency -do you want the Owner -or is it another area that we can leave blank if it doesn't apply."
- A3. The form is seeking knowledge of any projects where a consultant/design engineer was involved and in what capacity. If not available, that can be left blank. Agency and Owner are synonymous and can be used interchangeably. In the area requested Agency, the Owner is appropriate.
